V Old Business

1. Request for a yellow loading zone in front of 333 "E" Street by Richard Corell, Manager, Eureka Central Residence.
(Note: This item is being brought back before the Commission to allow input from surrounding businesses regarding placement of a new yellow curb.)
Staff opens by reporting the reason why we brought this issue back is to let the surrounding business's know that the zone now being requested is for a yellow curb and not a blue curb as previously noticed. Eureka Central residents are excited about the yellow curb, most other businesses are not opposed except the one business fronting the yellow curb. Commissioner Beaton asks for clarification on time for loading (yellow) zones which is 20 minutes. Loading zones are typically placed at the end of the block and it is being proposed in the best location for the central residents.

No one is in attendance on behalf of the applicant or adjacent businesses.

*Commissioner Sandretto moves to approve and Schneider seconds.
Motion passes; 4 ayes, 0 noes.*
